## REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The cited prior art fails to teach claimed invention alone or in combination. Applicant's arguments as filed in Appeal Brief are persuasive. The cited references fails to teach claimed limitations as clearly argued by applicant's appeal brief. Therefore claimed invention is allowable over cited prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
